

## Side-by-Side Technology: Therap, College of Direct Support Training Conference V

May 4 - 6, 2010 • Kansas City, Missouri

Therap Services and College of Direct Support (CDS) are excited to present, for the fifth time, their joint training conference on May 4 - 6, 2010 at the Clarion Hotel Sports Complex, Kansas City, Missouri.

Therap Services and CDS are working jointly to enhance the services given to the people with developmental disabilities. This conference brings together the two industry leaders in the field of utilizing web-based technologies to educate and train a workforce delivering support services. The conference will feature multiple interactive sessions and workshops focusing on the services provided by Therap and on the curriculum and the Learning Management System offered by CDS. There will be specific sessions for advanced users, for system administrators and for the potential users of Therap or CDS. Some major sessions to look forward to will include:

### Some Major Sessions

- Integration with College of Direct Support
- Therap and CDS for Executive Directors
- Training on Therap modules including ISPs, Health Tracking, Daily Log Notes, Staff Scheduling, Billing, Medication Administration Records, and more.
- Training on CDS System for new and existing users
- Brainstorming about the Future of Technology and its use for the Developmental Disability Industry
- Interactive Workshops
- Presentation Sessions
- Medication Administration Records

- Electronic Signature Compliance
- Overnight Monitoring with Rest Assured
- Discussions on Topics including HIPAA, Data Security and Electronic Signatures
- Individual and Family Access to Data
- Networking with other Therap Users and Industry Experts
- Sharing Ideas to Create New and Improved Therap Training and Support Materials
- Special Sessions for Provider Administrators
- Special Sessions for Agencies from Missouri, Kansas, Arkansas, Iowa and Nebraska.
